PROFESSIONAL PROFILE

- Multilingual Gen-AI Content & Creative Specialist fluent in English, French, Italian, and Spanish. Combines expertise in AI-generated content, video production, and CGI with hands-on experience in business development, client management, and stakeholder relations. Skilled at bridging technical, creative, and commercial teams to deliver high-impact digital campaigns and long-term client partnerships.

PROFESSIONAL EXPERIENCE

E-Commerce QA & AI Operations Manager Spain | Eko.com
2026 – Present • Barcelona

- Produced and generated AI images and video for e-commerce content, using Nano Banana Pro, GPT-4, Seedance 2.0, Grok Images, Grok Video, Kling 3.0, and Higgsfield DOP
- Worked with Claude tools to improve precision and consistency of product PDP (product display page) content and shot preference
- Applied structured prompting with reference-based inputs (@ and {} notation) to maintain ambient, character, and action consistency across AI-generated assets
- Designed AI-assisted audit systems for media validation and built workflows for content validation and delivery
- Defined KPIs to monitor accuracy and performance, and managed cross-functional stakeholder communication and KPI reporting across global teams
- Led AI-assisted workflow optimization, reducing operational bottlenecks by 30%+
- Oversaw e-commerce catalog operations, ensuring quality standards and timely delivery
- Coordinated between technical, creative, and commercial departments as primary liaison

Founder | Mixim Creative Studio
2021 – Present • Remote

- Founded and scaled a creative agency, independently generating business opportunities and managing the full client acquisition process from prospecting to contract close.
- Led end-to-end delivery of web development, video production, CGI, motion graphics, branding, and digital marketing projects for clients across luxury, real estate, hospitality, and professional sectors
- Designed production workflows, coordinated freelance specialists, and managed multidisciplinary projects from concept through delivery, ensuring high-quality execution and client satisfaction.
- Built and maintained long-term client relationships while overseeing the creation of premium websites, digital experiences, and visual campaigns for international brands.

CGI & Web Development Manager | Fastech Solution
2024 – 2026 • Remote for London

- Led client-facing engagements from brief to final delivery, managing expectations throughout
- Coordinated external vendors and creative teams across multiple simultaneous projects

Junior Social Media Manager & Camera Operator | Jam Marketing Lab
2025 – 2026 • Rome

- Assisted in client campaign strategy and content production for B2C brand accounts
- Supported relationship management with clients across multiple verticals

Video Editor & 3D Animator | Universe Pixel Studio
2025 – 2026 • Barcelona

- Produced advertising content; handled editing, compositing, and sound design.
- Delivered campaigns for brands
